

DL TESORO – **NEW**

DL Tesoro is the new standard in zero tannin fababean varieties. This variety is the highest yielding zero tannin fababean registered in Canada with a great package of agronomic traits.

As the North American distributor for DL Tesoro, Riddell Seed Co. will be working with the best fababean seed producers across Canada to bring DL Tesoro to market. This variety has sturdy upright growth, ideal seed size for many markets, and tremendous yield potential. While most of the available seed for 2020 will be directed to seed production limited amounts will be available for commercial production.
