

New!

AAC RUSSELL VB

CWRS

The Wheat With Muscle

AAC Russell VB is a NEW semi dwarf midge tolerant CWRS that delivers high yield in combination with high protein. Coupled with strong lodging resistance and a robust disease package including an MR for FHB, growers can feel confident AAC Russell VB is the CWRS choice for their operation.

Highlights

- High yielding in combination with high protein
- High yielding; 110% of Carberry
- Midge tolerant, SM1 resistance
- Semi dwarf with strong straw and good standability
- Strong disease package including MR for FHB
